OUR CLIENTS

VENDOR TESTIMONIALS

All I can say is that the service is amazing! The level of professionalism is bar none, and their energy and positive attitude is infectious. Guests absolutely love interacting with the different types of Photo Booth services, but it's the feeling that the Hidden Smirk attendants give to the guests that set this service apart. I would HIGHLY recommend hiring HSPB for any event.

-NWR DECOR

It was such a pleasure working with Teisha and her assistant for my couple's wedding. They were engaging, professional, and kept the guests coming back for more shots. Her photobooth was one of the highlights of guest experience for the night. Thanks Teisha. Looking forward to more collaborations.

-KAUNA EVENTS

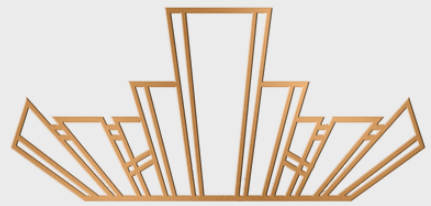

Hidden Smirk was extremely professional from start to finish! There was constant communication about what we would like, with several options offered.

Teisha was very attentive and arrived early to set up. She made our guests feel comfortable for the camera and they loved the natural look of the photos.
